

## Readings and Readers

For the **readings** you will want to choose:

- A 1<sup>st</sup> Reading from the Old Testament
- A Psalm (which the cantor can sing – if you have a cantor – see with them)
- A 2<sup>nd</sup> Reading from the New Testament (excluding the Gospels)
- A Gospel Reading that the priest or deacon will read

See this link for a list of readings to choose from:

You will also want to choose two **readers**: one for the 1<sup>st</sup> reading and one for the 2<sup>nd</sup> reading. They do not need to be Catholic, but need to feel comfortable reading in front of others and able to read clearly.

If you do not have a cantor who could sing the psalm you will want another reader for the psalm.
